MERCED COUNTY OFFICE OF EDUCATION

OUR VALUES

Integrity
Accountability
Respect
Visionary
Collaborative

OUR MISSION

The mission of the Merced County Office of Education, as the educational leader of the Central Valley and trusted community partner, is to transform education and inspire personal, social, and academic achievement of students through collaborative partnerships, accountable leadership and innovative, high quality programs and services.

As County Superintendent of Schools, I believe every Merced County student should have the opportunity to succeed in school. Student success should take the form of new skills and knowledge, allowing new choices and achievements at school, work, home and in the community.

Steven E. Gomes, Ed.D.
County Superintendent of Schools

An MCOE Overview

The Merced County Office of Education (MCOE) serves as an intermediate unit between the California Department of Education and the 20 local school districts. MCOE staff promotes student success by helping Merced County's 20 school districts serve more than 55,000 K-12 students of all abilities through assistance with curriculum and instruction, career and alternative education, business services, technology, special education, and teacher credentialing. MCOE will continue to focus on improving its work with school districts on behalf of students.
