

APRIL 30TH

NGSS+ELD= SUCCESS

Accelerate Language Acquisition through Science Instruction

This training clarifies ELD Standards and how to integrate supports in the Next Generation Science Standards (NGSS) classroom. We will explore how to support English Language Learners, while simultaneously implementing NGSS. The training includes demonstrations of Guided Language Acquisition Design and scaffolding for ELPAC proficiency levels.

Registration: <http://merced.k12oms.org/83-163736>

Time: April 30th, 2019; 9:00AM - 3:30PM

Location: MCOE, 632 W 13th Street, Merced 95341; Conference Room J2

Registration Contact: Ruth Sanchez at rsanchez@mcoe.org or 209.381.4570
