

# MTSS/PBIS TIER I TRAINING

2018 - 2019

**Merced County Office of Education** is offering school districts professional development in **PBIS** for Tier I Systems. Schools bring a team of 5-10 site members to participate in learning positive behavioral interventions and supports. The Site Leadership Team will participate in an interactive 5 day training that provides the necessary content and skills to support the sustainable implementation of a multi-tiered behavior framework (**MTSS**). In addition, the Site Coaches will participate in an interactive 5 day Coaches Training to learn how to support their sites in the **PBIS** implementation, set up **PBIS** assessments, and problem solve. Site administrators will be offered a 5 day Leadership Forum to sustain leadership with teamwork, capacity building, creativity, and the implementation of **PBIS**.
