

ELPAC Academy: Academic Language Acquisition Practices Across the Curriculum

August
21,
2019

Focusing on the classroom this training is designed for teams of educators, including classroom teachers, coaches, teachers on special assignment, and site administrators who play a role in supporting high-quality education for English learning in the classroom.

We will focus on:

- Connecting ELPAC task types to classroom instruction
- Advancing English proficiency through classroom practices
- Using the formative assessment process, creating interim assessments, and designing accessibility resources

TIME: 8:00AM-3:30PM

LOCATION: J2

COST: \$125 INCLUDES LUNCH & MATERIALS
