Previously certified teachers for **Expository Reading and Writing Curriculum** at the high school level are cordially invited to attend the ERWC 3.0 Update. This Professional Learning provides a preview of the 3rd edition which will be launched in June 2019. This hands-on update is designed to familiarize teachers with

- Revised ERWC curriculum for English language arts (ELA) course at grade 12
- New ERWC ELA course at grade 11
- Specific modules with integrated and designated English language development (ELD) at grades 9-12

This workshop, including course material and lunch, is offered at no cost.
